

Nature Protector Badge

Raising Awareness and Protecting

Objective

- To encourage young people to take action about environmental issues
- To raise awareness of why the environment needs protecting
- To demonstrate that everyone able to do their bit to help protect the environment

Compulsory

- Meeting at Guide headquarters with BirdLife Malta Leaders
- First visit to Salini Nature Reserve to raise awareness
- Second visit to Salini Nature Reserve to take action to protect

Visit 1

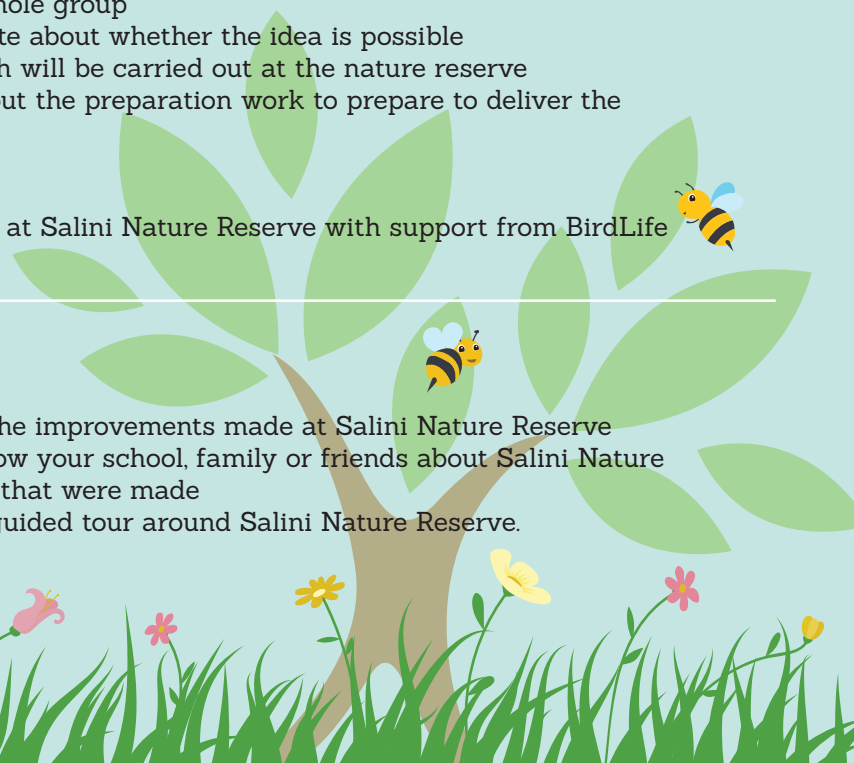

- Learn about the global conservation movement and why people dedicate their lives to protecting the planet
- Learn about Salini Nature Reserve
 - Why is it an important habitat?
 - What makes it a good nature reserve?
 - What could be improved?
- Develop an idea in small groups about how the nature reserve could be improved
- Create a poster to demonstrate your idea
- Present your idea to the whole group
- Question and answer/debate about whether the idea is possible
- Vote on the best idea which will be carried out at the nature reserve
- Work as a group to carry out the preparation work to prepare to deliver the idea

Visit 2

- Hands on conservation work at Salini Nature Reserve with support from BirdLife Malta Leaders

Individual Tasks

- Write a blog or diary about the improvements made at Salini Nature Reserve
- Prepare a presentation to show your school, family or friends about Salini Nature Reserve and the improvements that were made
- Take family or friends on a guided tour around Salini Nature Reserve.
