# A visit to Is-Simar Nature Reserve

Entrance

My name is \_\_\_\_\_

1 Is-Simar is a nature reserve

- ☐ because there are animals in cages.
- ☐ because here all nature is protected.

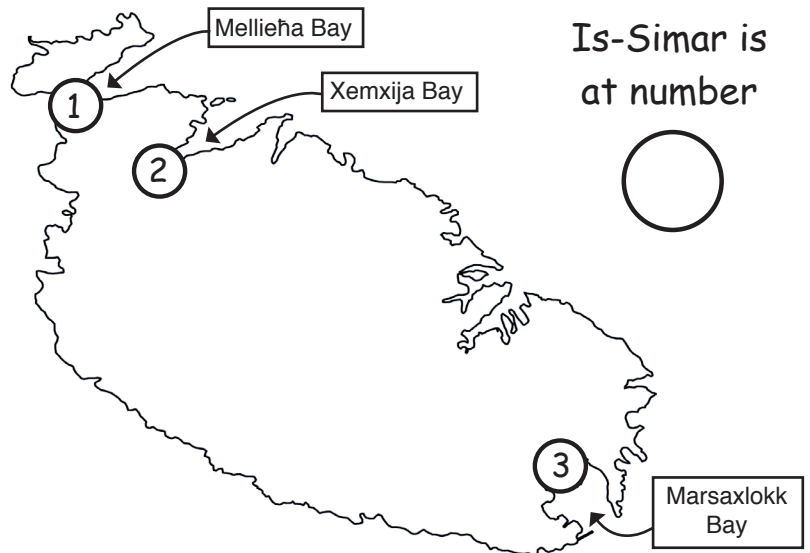

2 Which of these do we find in a **natural environment**?

- ☐ trees
- ☐ streets
- ☐ cars
- ☐ houses
- ☐ flowers
- ☐ fields
- ☐ grass
- ☐ garages
- ☐ footpaths
- ☐ school

3 What's the name of the organisation that looks after Is-Simar?

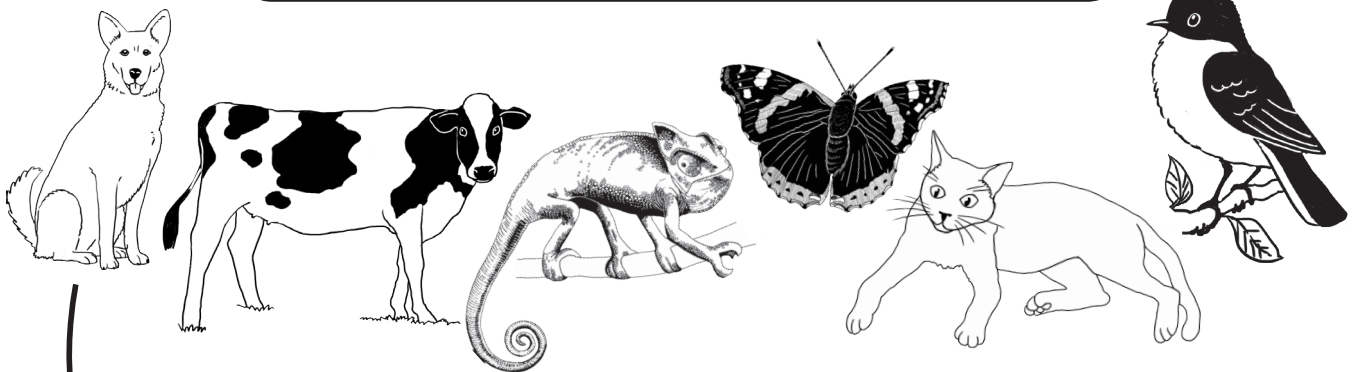

4 Is-Simar is near Xemxija Bay. Find Is-Simar on the map

5 Where do these animals belong?

They belong in a nature reserve.

They don't belong in a nature reserve.

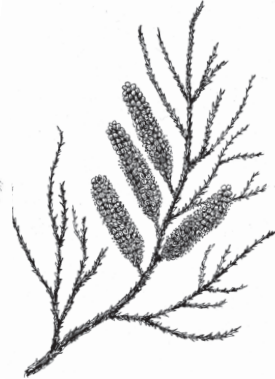

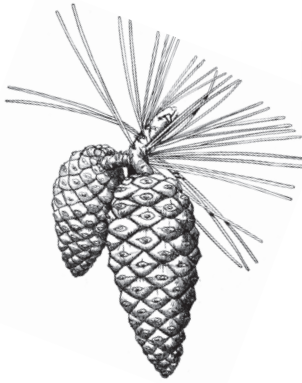

6 Mark good behaviour with this symbol ✓ and bad behaviour with this symbol ✗ :

- |                                                  |                                                     |
|--------------------------------------------------|-----------------------------------------------------|
| <input type="checkbox"/> I walk in the path.     | <input type="checkbox"/> I pick flowers and leaves. |
| <input type="checkbox"/> I make lots of noise.   | <input type="checkbox"/> I stay with the group.     |
| <input type="checkbox"/> I speak softly.         | <input type="checkbox"/> I climb on the rocks.      |
| <input type="checkbox"/> I walk without running. | <input type="checkbox"/> I catch animals.           |
| <input type="checkbox"/> I litter the floor.     | <input type="checkbox"/> I take pictures.           |
