L-imsieħba fil-proġett

EN. For this project, BirdLife Malta is partnering with four other BirdLife Partners along the Mediterranean and two government authorities in Malta and Greece. The project partnership is a mix of governmental and non-governmental organisations who have joined their efforts in past LIFE project partnerships, and which have the necessary roles and expertise to bring a desired change to the future of Yelkouan and Balearic Shearwater populations, throughout their range.

Together with [BirdLife Malta](#) as Coordinating Beneficiary, the project partnership consists of BirdLife Partners [Hellenic Ornithological Society, HOS](#) (BirdLife Greece), [Sociedade Portuguesa para o Estudo das Aves, SPEA](#) (BirdLife Portugal), [Sociedad Española de Ornitología, SEO](#) (BirdLife Spain), and [Ligue pour la Protection des Oiseaux, LPO](#) (BirdLife France). The other two Associated Beneficiaries are the Management Body of the Cyclades Protected Areas (MB-CPA) from Greece and [Malta's Department of Fisheries and Aquaculture](#).

The project is worth €3.45 million and is 60% financed by the EU LIFE funding stream, and co-financed by Malta's Ministry for Agriculture, Fisheries, Food and Animal Rights.

MT. Għal dan il-proġett, BirdLife Malta qed tissieħeb ma' erba' msieħba oħra fil-familja tal-BirdLife fil-Mediterran u żewġ entitajiet governattivi f'Malta u l-Greċja. Is-sħubija hija taħlita ta' organizzazzjonijiet governattivi u nongovernattivi li diġà għaqqu l-isforzi tagħhom fi sħubija simili fil-passat taħt proġetti ffinanzjati mill-programm LIFE, u għalhekk għandhom ir-rwol u l-esperjenza neċessarji biex iġibu l-bidla mixtieqa b'risq il-futur tal-popolazzjonijiet tal-Garnija u l-Garnija Balearika, kull fejn jinstabu.

Flimkien ma' BirdLife Malta bħala l-Benefiċjarju Prinċipali, is-sħubija tikkonsisti fl-imsieħba tal-familja tal-BirdLife [Hellenic Ornithological Society, HOS](#) (BirdLife Greece), [Sociedade Portuguesa para o Estudo das Aves, SPEA](#) (BirdLife Portugal), [Sociedad Española de Ornitología, SEO](#) (BirdLife Spain), u [Ligue pour la Protection des Oiseaux, LPO](#) (BirdLife France). Iż-żewġ Benefiċjarji Assoċjati l-oħra huma l-Management Body of the Cyclades Protected Areas (MB-CPA) tal-Greċja u d-[Dipartiment tas-Sajd u l-Akkwakultura ta' Malta](#).
