Intom il-qniefed veru annimali speċjali.
Dak il-kowt tax-xewk fuq daharkom huwa
idea tajba biex tiddefendu rwieħkom.
Għandkom ukoll wiċċkom veru ħelu.
Din hi l-wegħda tiegħi:
**Jien ħa nwissi lis-sewwieqa kollha li naf
biex filgħaxija jsuqu bil-mod fil-kampanja.**

Make a hedgehog car pendant

Here's how

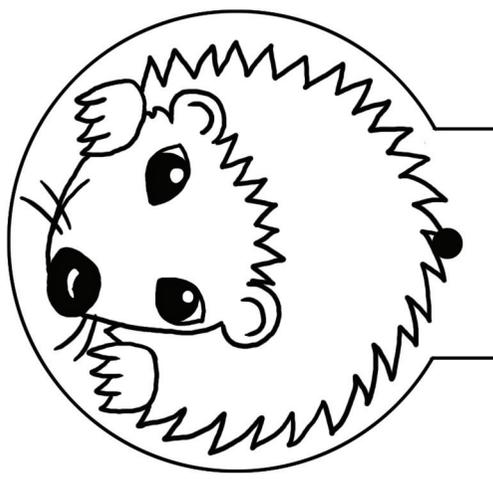

- 1 Choose the language version (page opposite) and make copies.
- 2 Cut the shape out (roughly for now).
- 3 Fold down along dotted line and slip over a piece of stiff card (cereal carton) as in diagram A.
- 4 Glue the two flaps to the stiff card, allow to dry.
- 5 Cut carefully around the shape.
- 6 Colour the hedgehog and give a bright background colour, e.g. diagram B.
- 7 Make a hole through the black dot and pass string or ribbon.
- 8 Hang from car mirror, etc. and let it swing and turn (diagram C).
