

What is
Klabb Huttaf?

It is
a club for young
people who love
nature.

What do they
do?

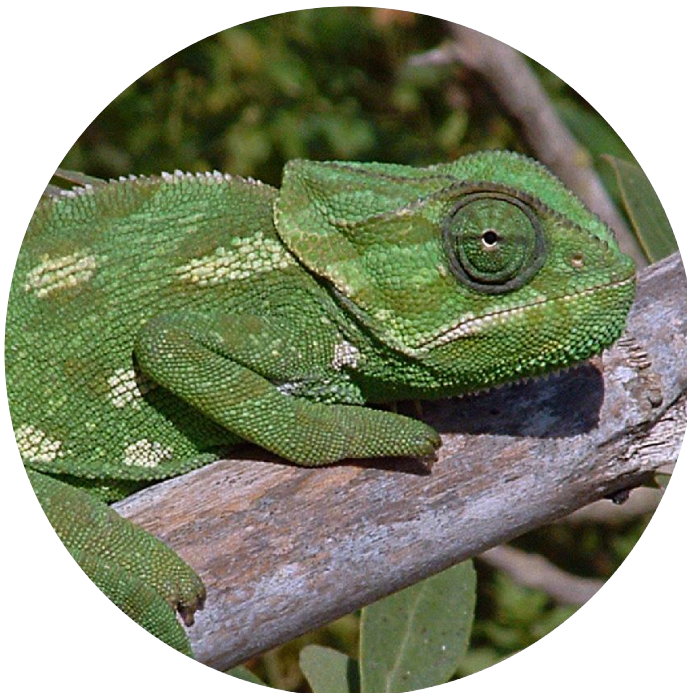

They do
countryside
walks and
watch nature.

What sort of
nature?

Anything that
we happen
to see. It's all
cool!

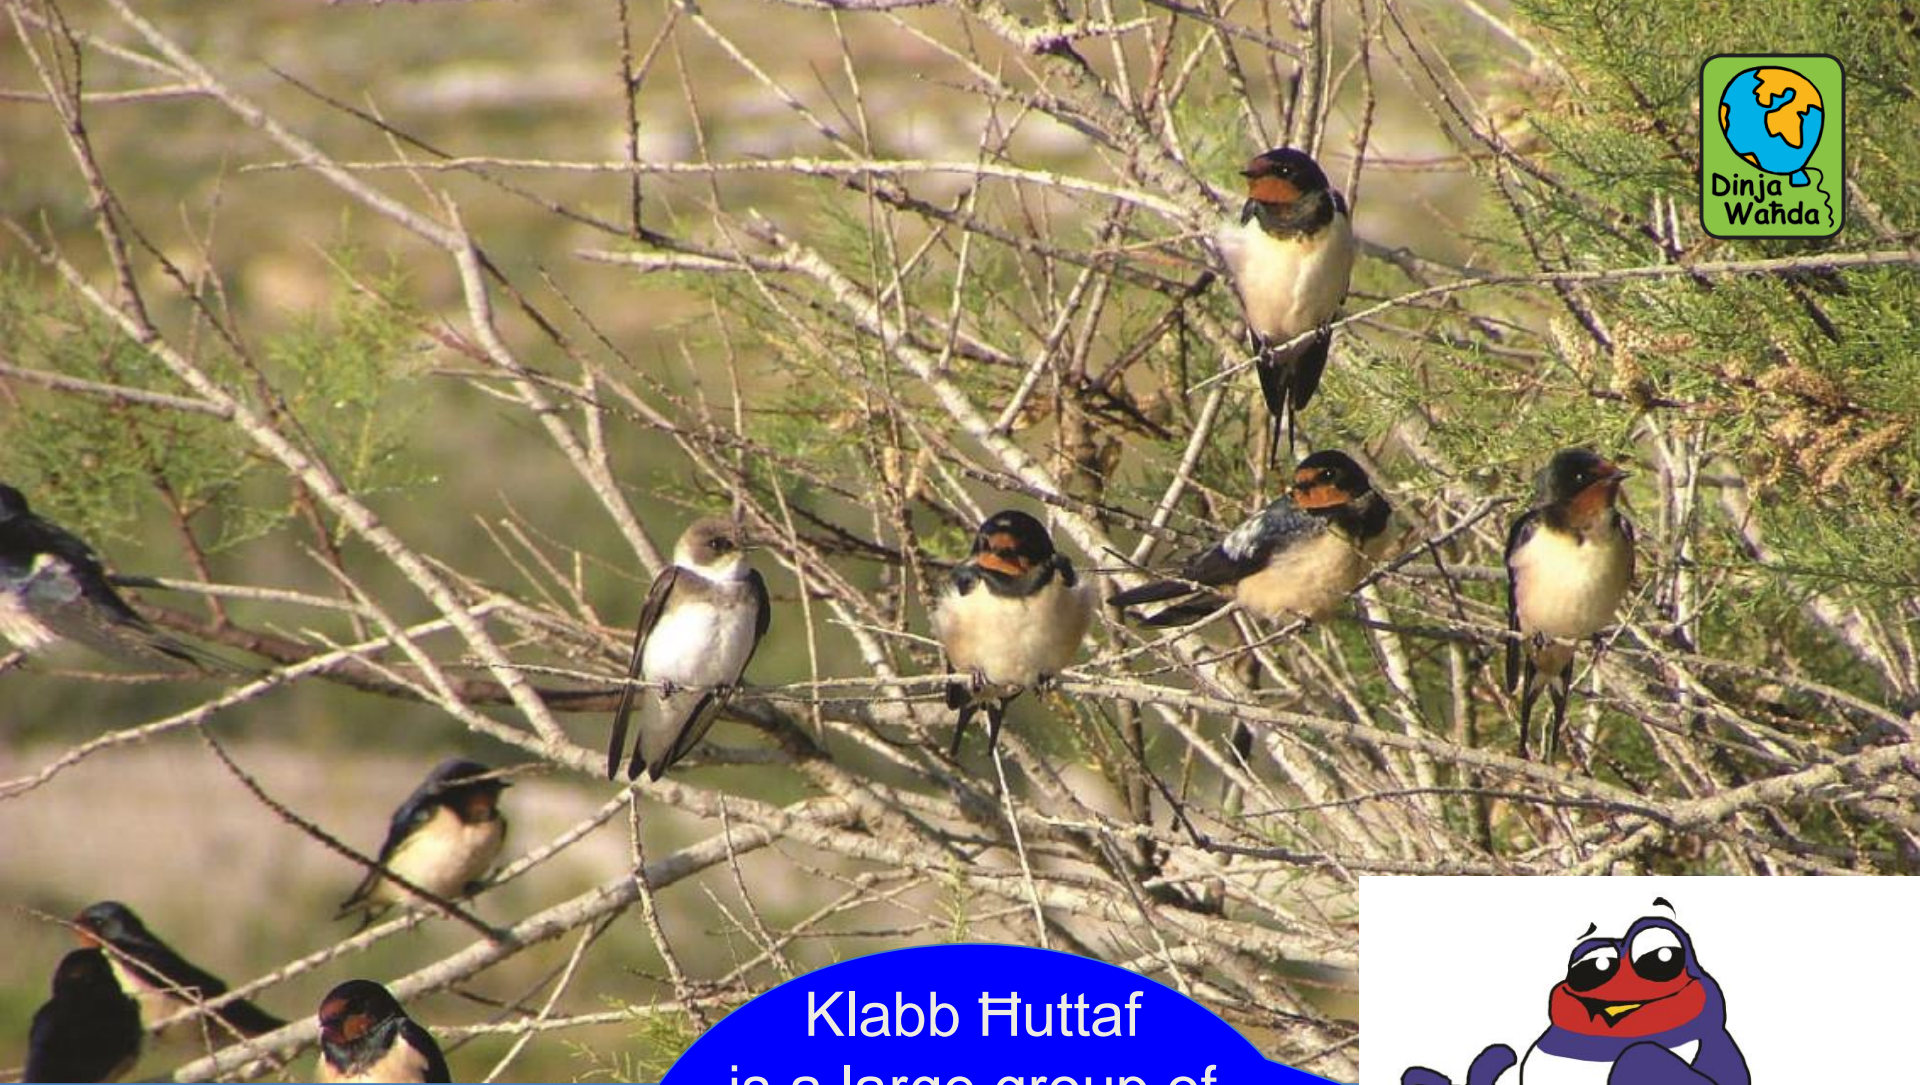

Are all activities the same?

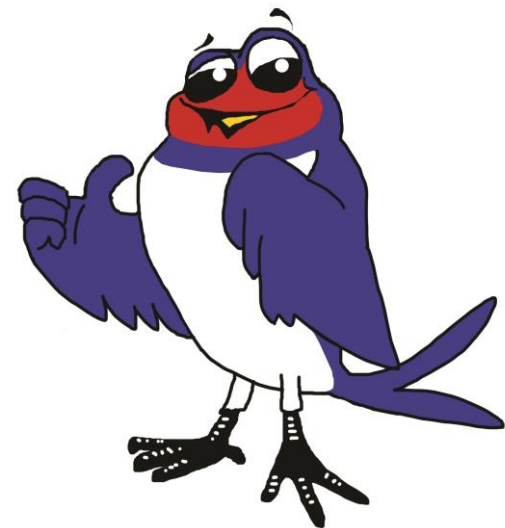

No! Walks, birdwatching, boat trips, tree planting, games...

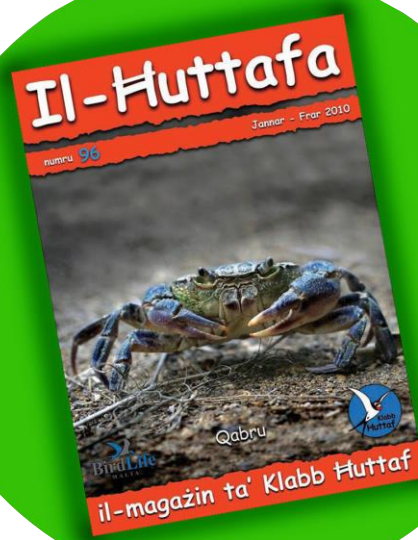

Why
is the club
called Klabb
Ḥuttaf?

Klabb Ḥuttaf
is a large group of
young people. Just like
swallows, who like to
stay in large
groups.

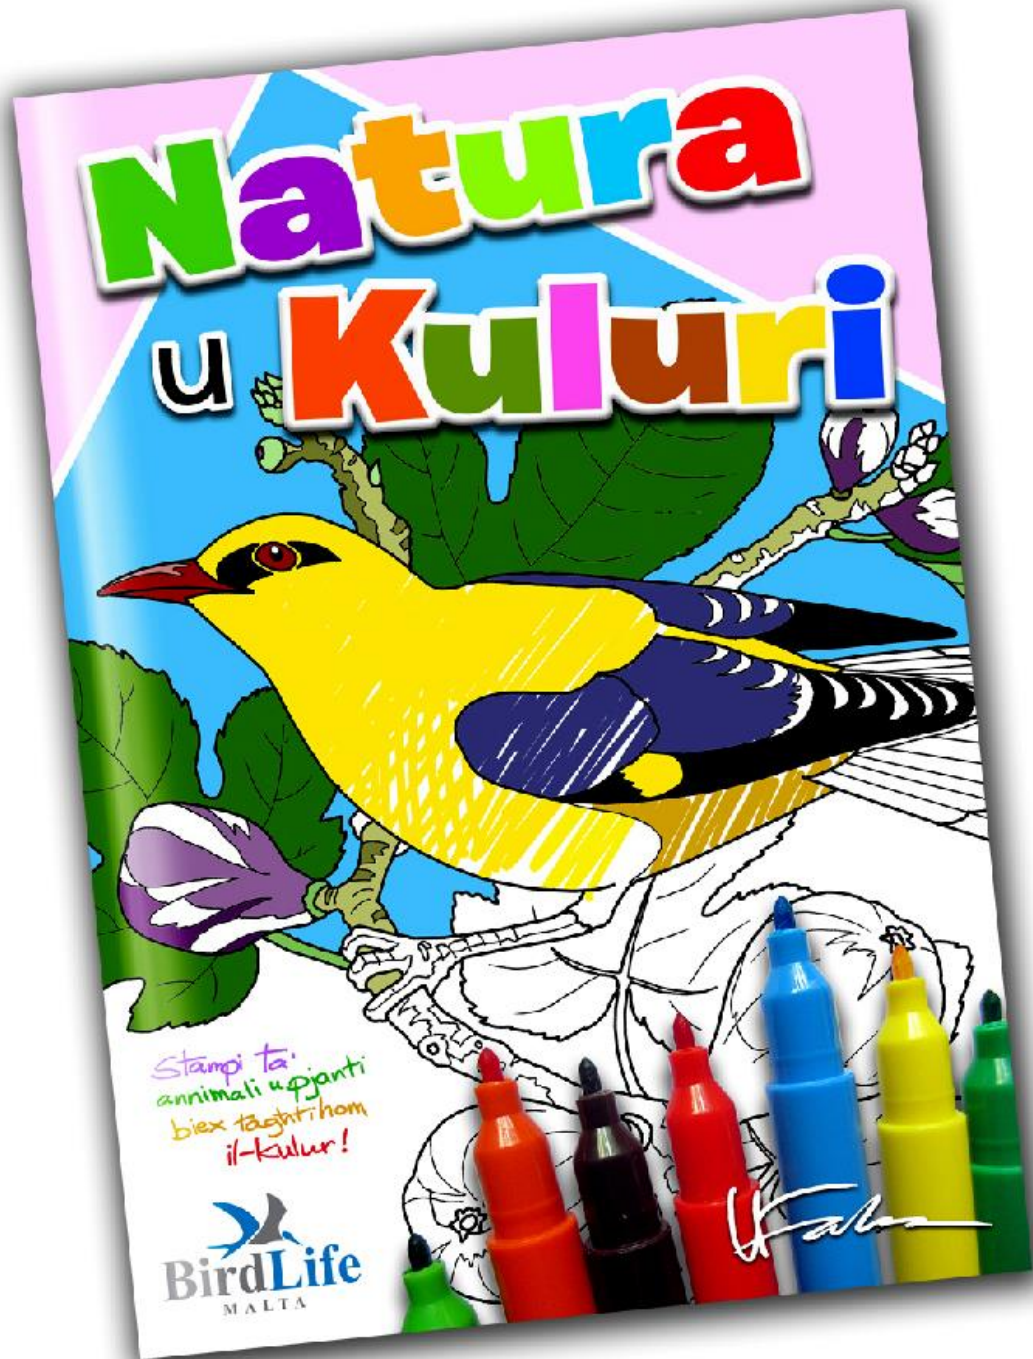

Do I receive anything at home?

Yes!
Members' special magazine, Il-Huttafa, full of fun, colours and info all about nature!

What do I
receive when
I join the
club?

This cool
colouring book!
40 pages of large
animal and plant
drawings!

Can
my family
come with
me?

Yes.
Parents are
always welcome.
The whole family
can become a
member!

Come on,
become a
member today
and join us as we
enjoy nature
together!
