Natura 2000

Fil-Gżejjjer Maltin għandna xi nħawi ngħidulhom Siti Natura 2000. Dawn huma postijiet speċjali fejn l-ambjent naturali huwa mħares bil-ligi. Dan għaliex ikun rari jew għax fih jgħixu animali u pjanti rari u anke endemici. Siti Natura 2000 insibuhom fl-Ewropa kollha, u hemm iktar minn 27,300 minnhom. F'Malta għandna 39 Sit Natura 2000 (fil-mappa mmarkati bl-aħdar), 34 fuq l-art u ħamsa fil-baħar. Dan il-poster fih ritratti ta' 10 minnhom u xi pjanti u animali li nistgħu nsibu fihom.
