

Il-kamera fin-natura

Hej ħbieb!

Jiena Betty u
nħobb ħafna l-
fotografijsa.

Illum nixtieq
ngħinkom
biex tieħdu
ritratti tajbin
tan-natura.

Ejja nibdew.

Ritratti tan-
natura jistgħu
jkunu ta'...

animali

Ritratti tan-
natura jistgħu
jkunu ta'...

animali

pjanti

Ritatti tan-
natura jistgħu
jkunu ta'...

animali

pjanti

veduti

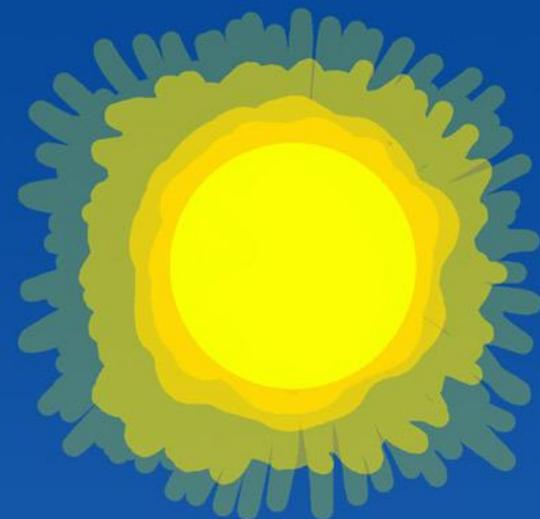

Ritatti tan-
natura jistgħu
jkunu ta'...

animali

pjanti

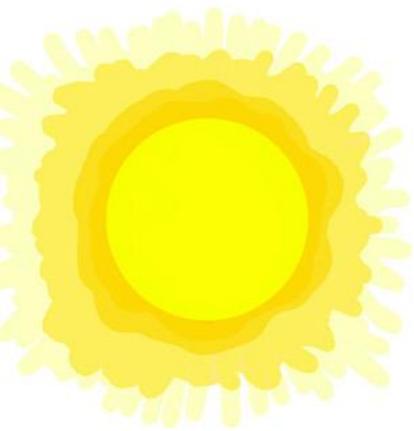

veduti

forom u kuluri.

Fil-fotografija,
id-dawl huwa
importanti ħafna.

Ix-**xemx** hija
l-aħjar dawl
għar-ritratti.

xemx
warajk

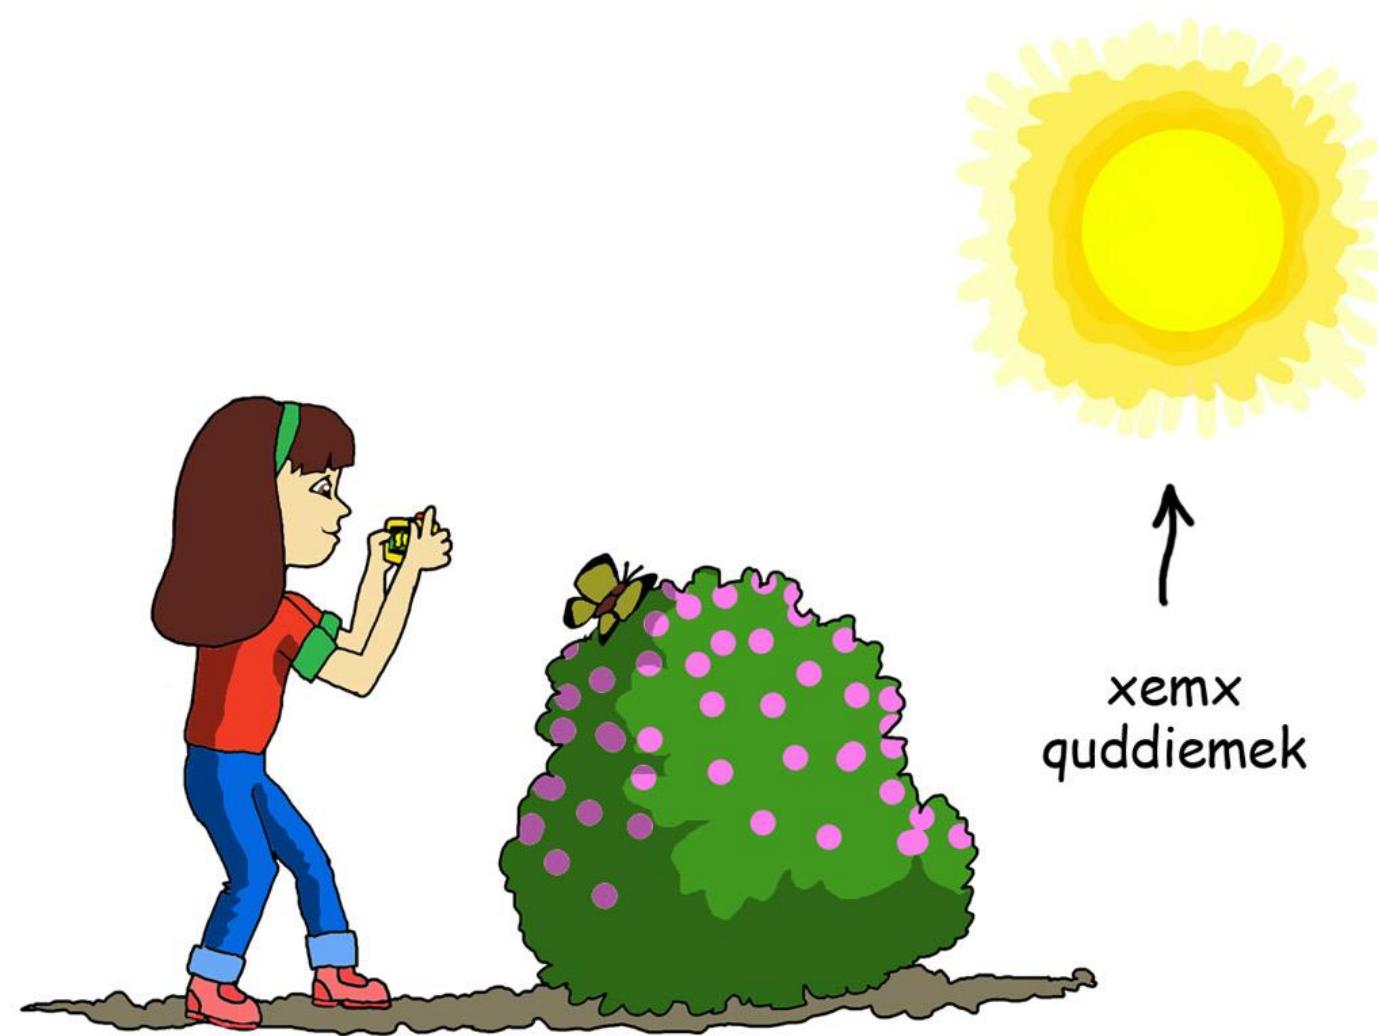

Meta tieħu
ritratt, qis li
**x-xemx tkun
warajk.**

B'hekk l-animal
ikun imdawwal
u r-ritratt jiġik
tajjeb...

...bħal dan
il-kamaleonti.

Jekk tieħu
r-ritratt
bix-xemx
quddiemek...

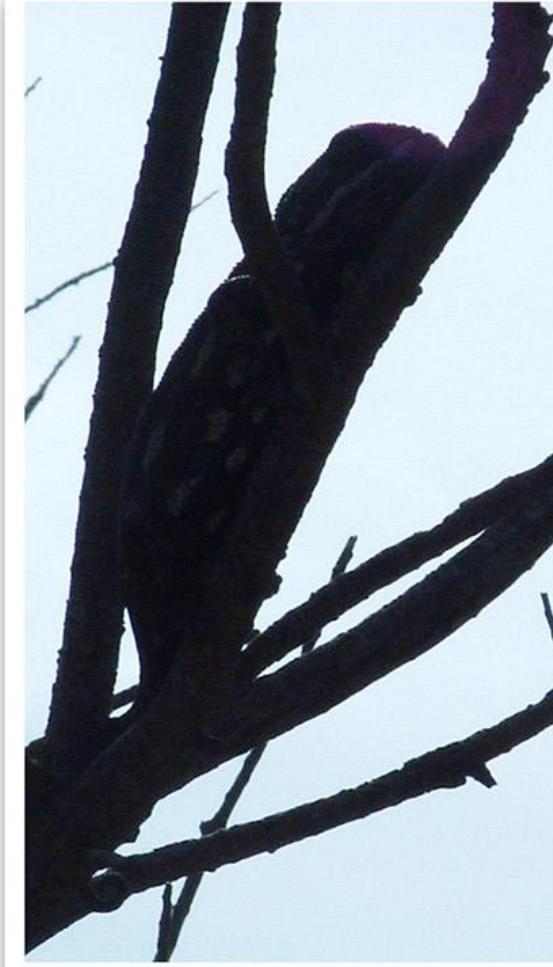

...jiġik hekk!

X'diżastru!

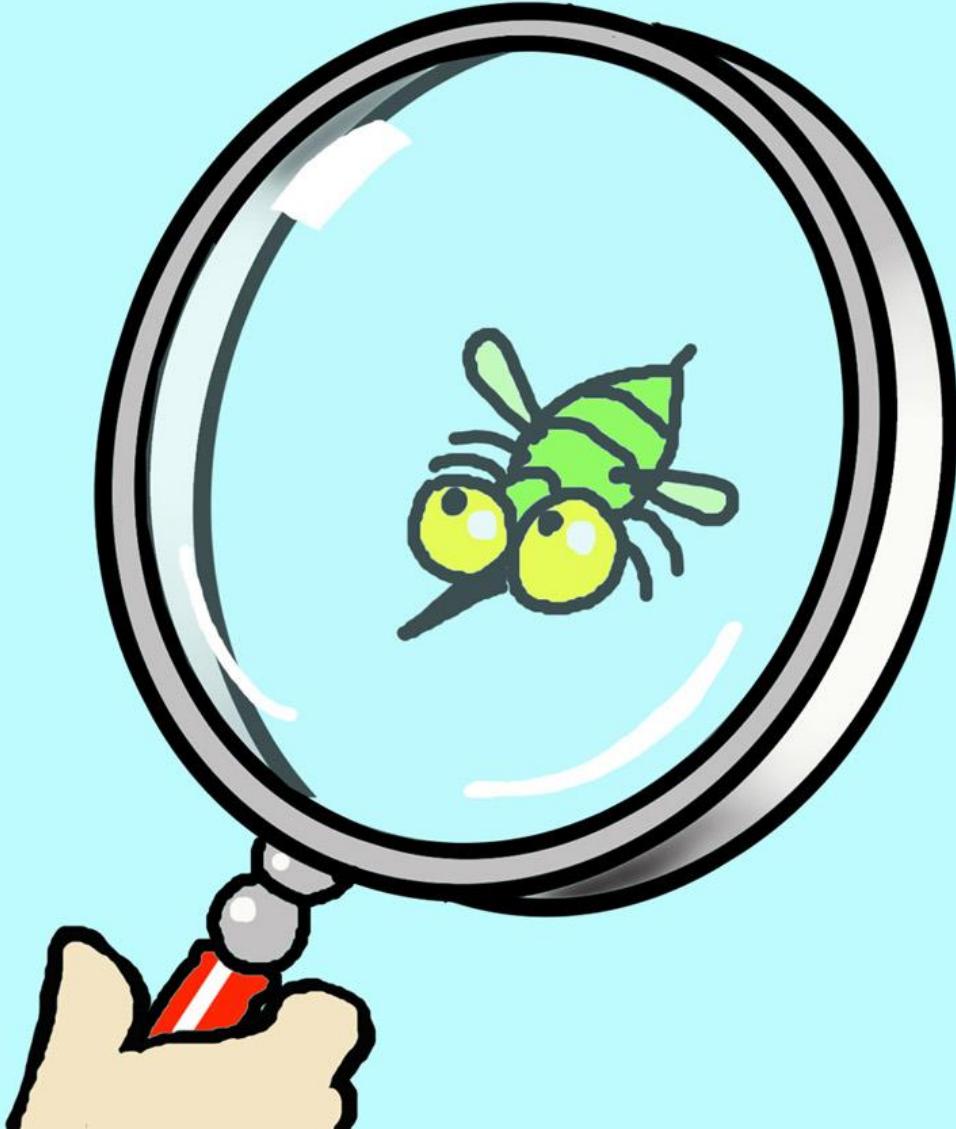

Bix-xemx warajk

Bix-xemx quddiemek

Liema ġie
l-isbah?

Hafna
animali Maltin
huma żgħar.
Jekk niħdulhom
ritratt mill-
bogħod jiġu
żgħar wisq.

... bħal dik
in-nannakola.

Biex ir-ritratt
jigi interessanti
ikollna mmorru
viċin.

Nersqu **bil-mod**
biex ma
ngerrxuhomx...

Hekk aðjar!

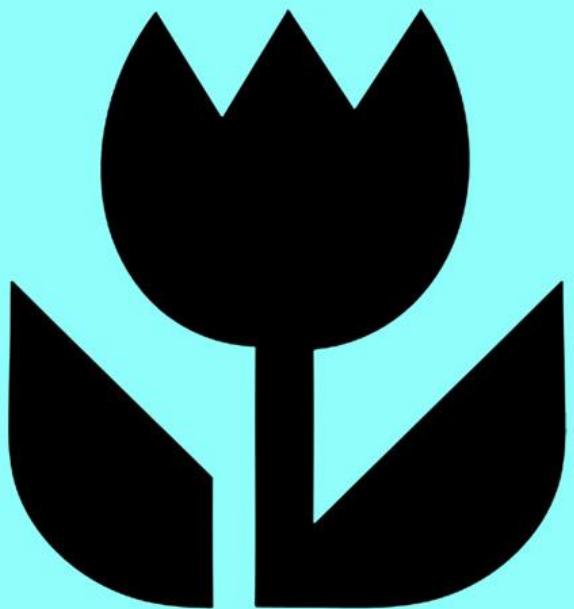

Kultant meta
nieħdu ritratt
ta' xi ħaġa
mill-vičin ħafna,
jigħina mżelleg,
bħal din
il-fjura.

Ngħidu li
r-ritratt gie
sfukat.

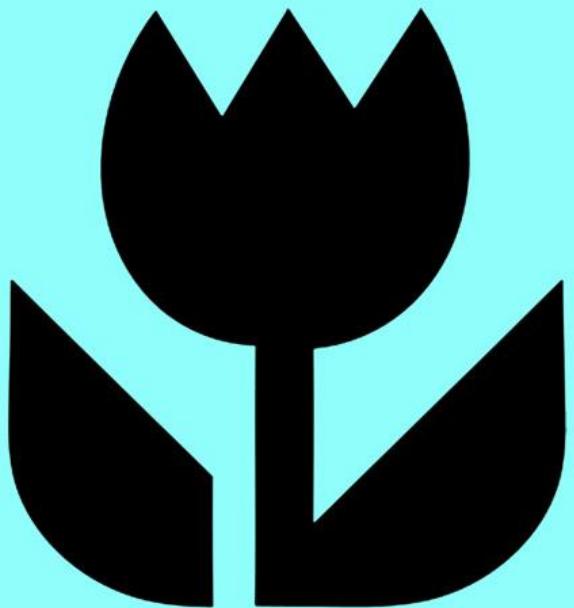

Ritratt sfukat
mhux ritratt
tajjeb.
X'nistgħu
naghħmlu?

Hemm trikk!

Hafna kameras
ikollhom
din il-marka
x'imkien.

Is-soltu tkun
qiegħda fuq
xi **buttuna**
jew **rota**
tal-kamera.

Din il-marka
ngħidulha l-
makro.

Biex tieħdu ritratt
tajjeb mill-vičin,
issettjaw
il-kamera fuq
il-marka tal-makro

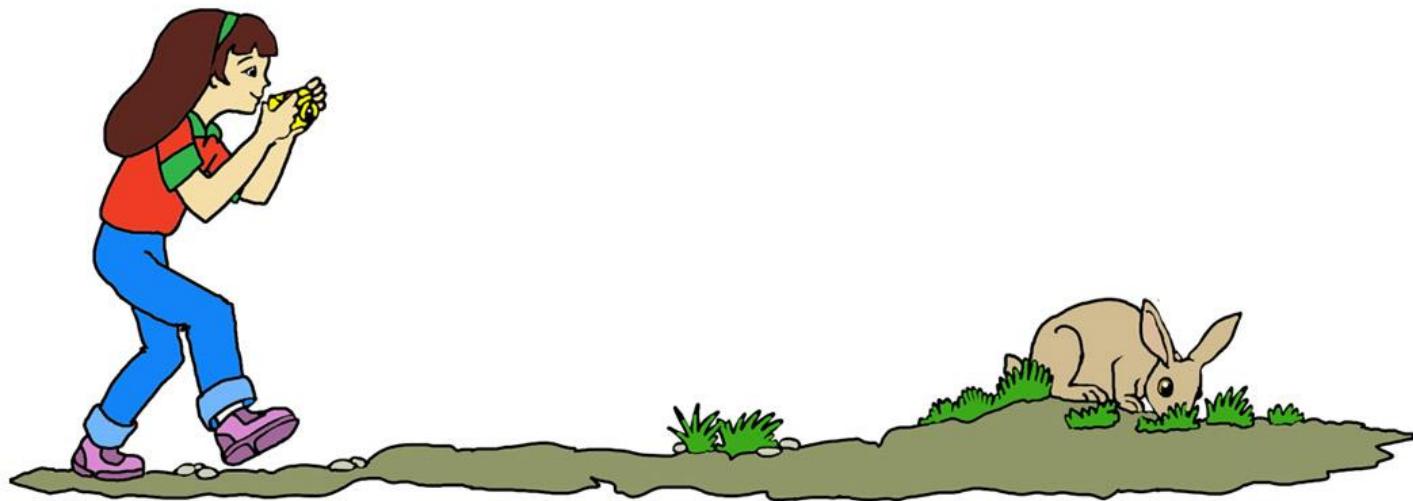

...u ġudu r-ritratt!

Eh, issa ħafna
aħjar hux?

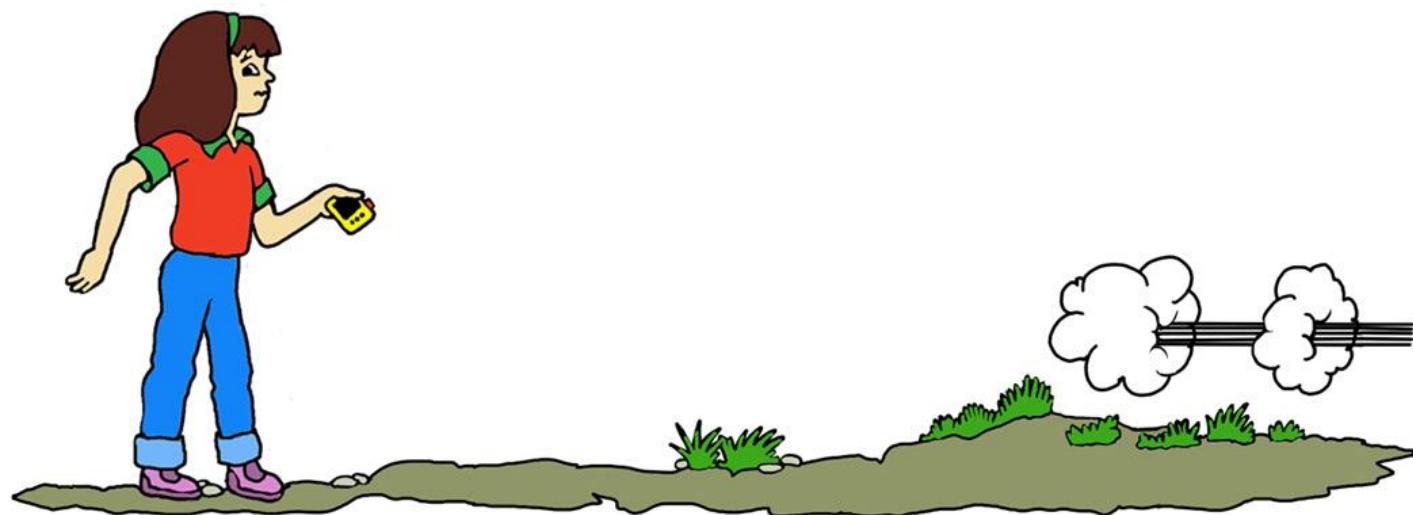

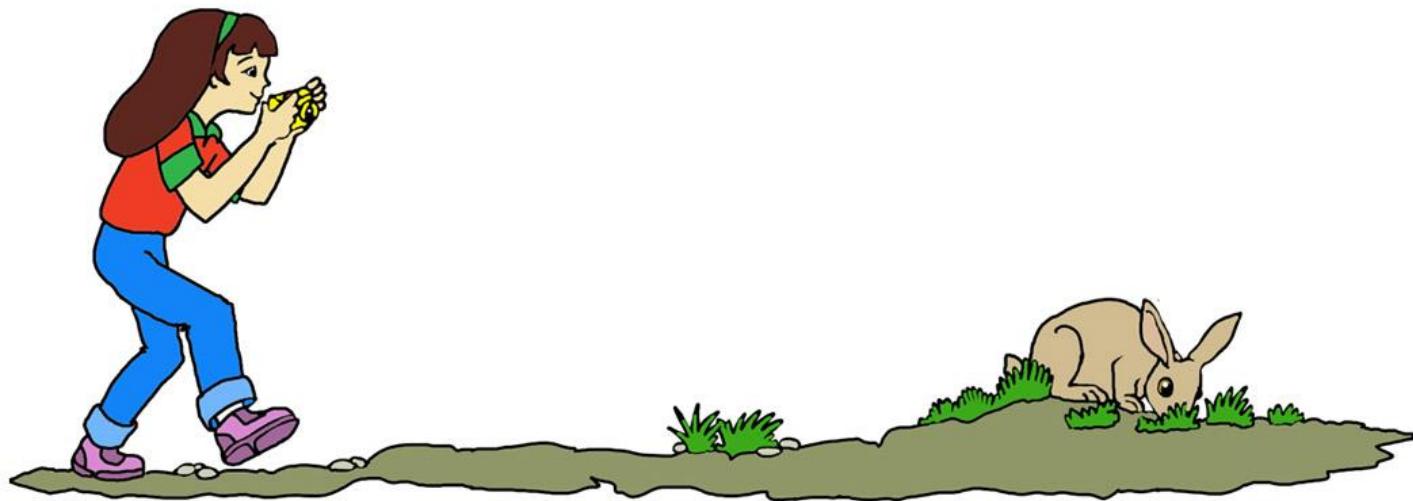

Ir-ritratt
m'għadux
sfukat. Issa ġie
iffukat.

Imnalla tkun
il-makro.

Fin-natura,
l-iktar ritratti
difficli huma
tal-animali.

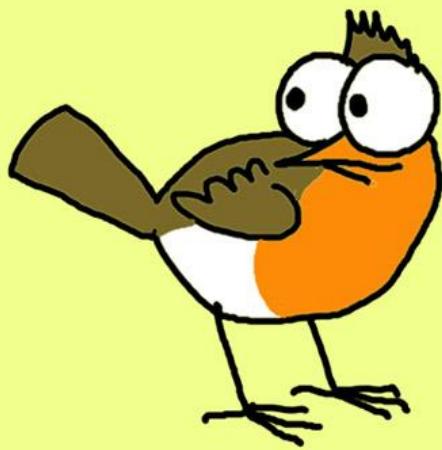

Heqq, għax
ħafna animali,
kif jarawk gej...

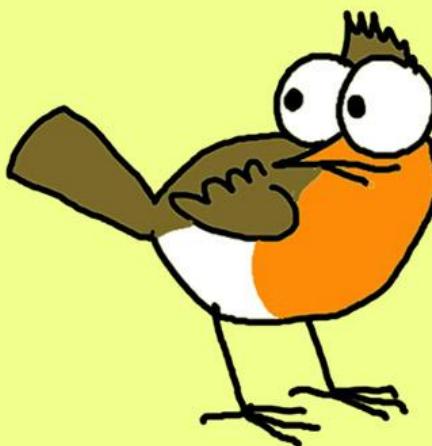

...jaħarbu
jiġru!

Per eżempju
l-għasafar
jibżgħu ġafna
min-nies u mhux
ha jħalluk
tersaq lejhom.
Biex toħdilhom
ritratt trid
tagħmel **żewġ**
affarijet...

1. Hajjar
l-għasafar
jersqu lejk.

In this speech, he said that in this millennium it will not resolve all conflicts or cause the Communists to forego their ambitions or eliminate the dangers of war. It will not reduce our need for arms or allies or programme of assistance to others. But it is important first step towards peace towards reason away from war.

Here is what it can mean to you your children and neighbours.

First this treaty is a step towards reducing world tension and broader areas of agreement. The Moscow talks have reached no agreement on any other subject nor is this treaty conditioned on any other matter. Under Secretary Harriman made it clear that any nonaggression arrangements between the

peacekeeping forces which have fought through eight wars. And three times in the last two years and a half I have been required to report to you as President that this Nation and the Soviet Union stood at the ready to defend the world safe for each other side. Under this limited treaty on the other hand the testing of other nations could never be sufficient to offset the ability of our strategic forces to deter or survive a nuclear war.

Secondly the test ban reduces the risk of unrestricted testing the risk of nuclear arms race the risk of new nuclear power nuclear pollution as nuclear war.

The limited test ban is our most careful judgment as safer by far for the United States than unlimited nuclear arms race. For all these reasons I am hopeful that the Nation will promptly approve the limited test ban treaty. There will of course be debate in the country and in the Senate. The Constitution clearly requires the advice and consent of the Senate to all treaties and it change the balance of strategic power. The consultation has already begun. All this is an effort to concentrate on more mobile and more efficient weapons with historic and constructive

**1. Hajjar
l-għasafar
jersqu lejk.**

**2. Stahba
kemm tista'.**

Biex tħajjar
l-għasafar
jersqulek,
l-aħjar
toffrilhom
x'jeklu.

Biex tagħmel
dan, armalhom
bird table.

U biex
toħdilhom
ritratti
bil-moħbi,
waħħal karta
kbira ma'
ħgiega ta'
tieqa, agħmel
toqba fiha u
ħu ritratti
minnha.

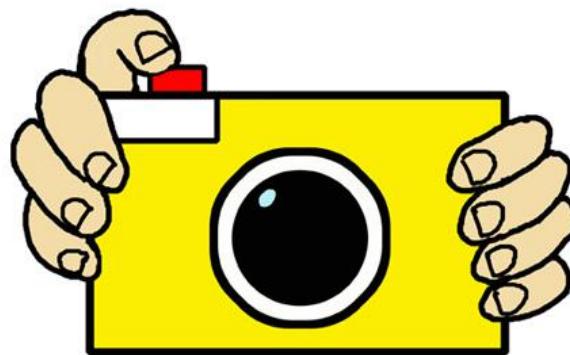

Meta tieħu
ritratt ipprova
ċċaqlaqx
il-kamera.

Inkella
r-ritratt ukoll
jiġik imċaqlaq.

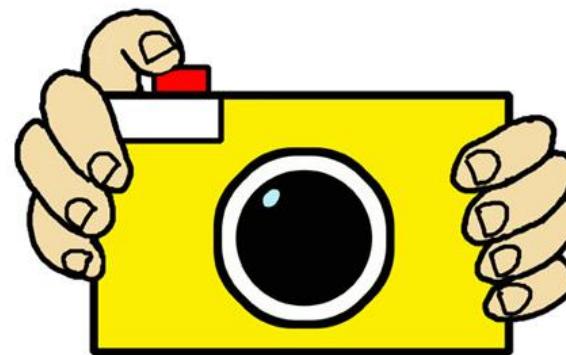

Biex ritratt ma
jiġikx imċaqlaq

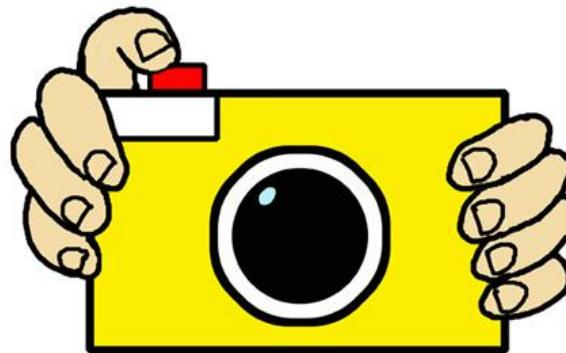

1. Ieqaf biex
tieħu ritratt.

2. Żomm
il-kamera
b'idejk
it-tnejn.

3. Fejn tista',
serraħ
dirghajk
fuq xi ħaġa.

4. Ipprova
tagħżilx
ġurnata
bir-riħ.

Issa tajjeb gie
r-ritratt hux!

Xi ġmiel ta'
leblieba, ħej!

Ritratti ta'
veduti huma
sbieħ ukoll.

Ha ngħidilkom
żewġ affarijiet
biex tieħdu
ritratti ta'
veduti aħjar.

Araw
dar-ritratt ta'
torri f'xatt
il-baħar. Huwa
sabiħ.

Imma jista'
jkun isbaħ...

Għax ir-ritratt
fih żewġ żbalji.

Hemm wiſa,
ſema vojt.

Għax ir-ritratt
fih żewġ żbalji.

Hemm wisq,
sema vojt.

Il-bini qiegħed
fin-nofs eżatt.

Għax ir-ritratt
fih żewġ żbalji.

← $\frac{5}{10}$

$\frac{10}{10}$ →

Ir-ritratt
t'isfel fih inqas
sema u t-torri
qiegħed
fil-ġenb. B'hekk
ir-ritratt gie
isbah għax
huwa **mqassam**
aħjar.

Kultant
fin-natura
naraw **forom** u
kuluri vera
interessanti.
Hafna minnhom
huma affarijiet
komuni li naraw
kuljum: **sħab**,
weraq, **ħamrija**,
zkuk.

Imma r-ritratt
jagħmilhom
specjali.

Meta tkunu
fil-ġnien,
fil-kampanja,
żommu
għajnejk kom
miftuħun għal
dan il-ġmiel.

Issa li sirtu
esperti fil-
fotografija, ħudu
sehem fl-Attività
Picture It ta'
Dinja Waħda.
B'hekk kulħadd
igawdi r-ritratti
tagħkom tan-
natura.

Daqshekk għal-lum
ħbieb. Nispera li
ħadtu gost miegħi
u li tgħallimtu.
Jiena nixtiqilkom
ħafna ritratti
sbieħ.

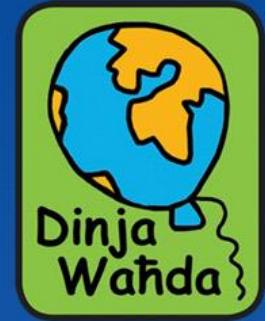

Gawdu n-natura
kull fejn tmorru,
u tagħmlulha
ħsara qatt.

ċaw ċaw.
