

Raptor Camp Training Day

Saturday 3rd September

Salina Nature Reserve

9:00 – 13:30

We are delighted to invite you to attend a one-day training session hosted by BirdLife Malta at Salina Nature Reserve. This training aims to show you how you can protect migratory birds on their journey to Africa. We will discuss with you wildlife legislation, what to do if you come across an illegality, and some basic bird ID skills.

Places are limited; due to this we ask that you register for this training at:
